Encounter the Eastern Caribbean on an unforgettable cruise. Set sail on the Norwegian Epic and discover an array of unique, exotic island ports just waiting to be explored. It's the best way to play in the Eastern Caribbean!

Every qualifier has been guaranteed a balcony suite by Norwegian. The ship sets sail on December 4, 2010 so mark your calendars. We want our agents to have the best the world has to offer and that's why we carefully selected the Norwegian Cruise Line.

For starters, there's the amazing new **Ice Bar**, literally one of the coolest places in the world. There are chic private clubs, as well as a traditional supper club, Norwegian's famous White Hot Party and so much more.

During the day, there's a huge Aqua Park, Sports Complex, squash court, rock-climbing wall, fitness center, world-class spa, two 3-lane bowling alleys and an amazing two-story Wii™ video game.

There are also 14 delicious on-board restaurants to enjoy. With some cruises, the destinations are the highlight and this trip is no exception with ports of call like St. Thomas, Nassau, St. Maarten and Miami but **this ship may provide the most incredible memories of all**. The entertainment alone is world class with the Blue Man Group, the 2nd City Comedy team and Cirque du Sole all on board with us.

See you on the EPIC in 2010!
